

History In The Making

A Daring Revolution

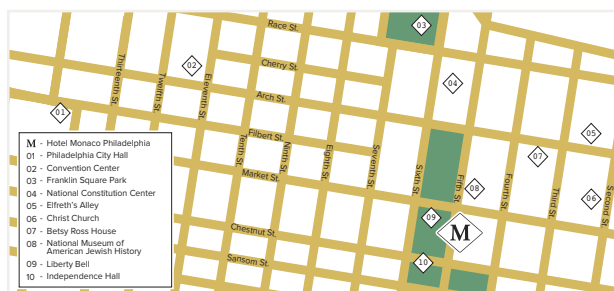

Spirited style of independence

Nestled amongst history's heavy-hitters, Kimpton Hotel Monaco Philadelphia is an oasis of eclectic design located in America's most historic square mile. Surrounded by boutique shops, galleries, and theaters, you're at the epicenter of a cultural hotspot. Channeling the old-world charm of the 1907-original Lafayette Building, this 268-room hotel ups the ante with contemporary finishes and modern flair for those seeking over-the-top services and amenities.

Hotel Monaco has all of the upscale pomp of a bygone era but with modern niceties, like its chef-driven Red Owl Tavern and rooftop respite Stratus Rooftop Lounge. Red Owl Tavern is a clever balance of fancy and familiar, across the street from Independence Hall and the Liberty Bell, while Stratus Rooftop Lounge is stylishly sexy but never stuffy, at the height of Philly's nightlife. Staying at Hotel Monaco is like time traveling to the root of American history, but with less silly wigs and more cocktails.
